

SPAWN WORLD

SPAWN POGS

SERIES INFORMATION

- PRODUCED BY:** Canada Games
RELEASED: 1995
BASE SET: 70 Pogs (Cardboard discs)
INSERTS: - 8 Slammers (Plastic discs) (8 designs in various colors and foil patterns, 112 variations total)
- INFO:**
- 1 "How to Play" card (10 with variations)
 - There were two sets of pogs: this one, and one published by Eclipse.
 - Almost every pog in this set had some foil enhancement.
 - Slammers were produced with 6 colors available, and 8 different designs per color. Additionally, there were 4 different foil patterns that were used (but not for every color).
 - All slammers have the same back, except for a small number (1-8) designating the design.
 - The "How to Play" cards were produced in different colors and designs. It can be difficult to tell the blue cards and the purple cards apart unless they are next to each other.
 - Pogs were distributed in 4-pog wax packs (+1 slammer and +1 How-to-Play Card), 36 packs per box. They were also sold in 7-pog blister packs (+1 slammer).
